

## What is a Kingdom Builders Gathering?

A Gathering can best be described as a time of receiving.

Women of all ages and faiths gather each month at a Catholic parish for 90 minutes to be transformed by their heavenly Father. The parish Core Team leads the Gathering, including a Teaching that is relevant and applicable to any woman's life. The time together is laced with humor — our heavenly Father delights in the sound of his daughters' laughter.

This is followed by a time to be loved during Eucharistic Adoration, where we reconnect with traditional Latin hymns and embrace the beauty of contemporary praise and worship.

Our Core Team began preparing months earlier for our Launch night. We gathered weekly to pray, develop our roles and grow in self-awareness. Our first Gathering took place on a frosty January night. Earlier that day the sky was filled with large snowflakes falling gently in the glistening sunlight. Heaven seemed to be giving us a glimpse of the beauty to follow that evening. As our church filled to capacity with women desiring a deeper relationship with Christ, the Holy Spirit went beyond our expectations in touching hearts with His great love. We were overjoyed to hear about women's experiences:

*This is just what my soul needed.*

*It was great to experience the presence of Jesus through Adoration with so many women.*

*Finally, something for women that speaks right to my heart.*

We can't wait to see the fruit that future Gatherings will bring!"

Kingdom Builders Pastor's Guide

# 2

Once KB Central has received your pastor's blessing to move forward, we require a \$100 fee for the *Core Team Development* program, which includes:

**Mosaic Small Group Formation:** This small group accountability forum is designed to lead groups through an authentic four-part discovery period. The Core Team will strengthen relationships and discover truths about God, themselves and virtuous friendships.

**Core Team Formation:** Host Parish Core Teams are led, step-by-step through the process of learning the commitment involved, assigning specific roles and discerning the feasibility of bringing Kingdom Builders to their parish. This series requires weekly meetings for four consecutive weeks.

**Role Guides:** Each unique KB Core Team role is given detailed information on the expectation of that role as well as instructions on accomplishing the responsibilities for their part of the mission.

**Readiness to Launch Checklist:** Discern with the Core Team the feasibility of launching Kingdom Builders at your parish.

**Timeline CheckLists:** Two-Month Out, One-Month Out, Two-Week Out, Night-Of and Post-Gathering CheckLists keeps the Core Team focused and on task, and ready for the Gatherings!
